

Summer 2022 Covid-19 Information

As we plan for our summer 2022 in-person camp, we are consistently looking at our Covid-19 protocols and guidelines and making adjustments where necessary. We are monitoring what the CDC, American Camp Association, and Department of Health at the local and state levels are recommending as we make decisions to ensure the health and safety of our campers and staff. We will adhere to the policies of Camp Leibenzel, our host camp.

Camp Practices & Procedures May 5, 2022	Updates
<p>Vaccination <u>*required*</u></p>	<p>After many conversations with our board members, New Horizons Ministries, Inc has made the decision that all eligible overnight campers (ages 7 and up), CITs, and staff will be required to be fully vaccinated against Covid-19 to attend camp this summer. To be considered fully vaccinated, you must have received both doses of the 2-dose series of the vaccine at least 2 weeks before the start of your summer session.</p> <p>Those eligible for boosters should be boosted unless they tested positive for COVID within 90 days of the start of camp.</p> <p><u>Please submit a copy of the vaccination card to the camp registrar by the start of the session. You can email them to info@newhorizonsministries.org .</u></p> <p>All staff and volunteers are required to be fully vaccinated and up-to-date by the start of staff training.</p>
<p>Pre-Camp COVID-19 Testing & Onsite testing</p>	<p>We will require a negative PCR test valid within 2 days of arrival of camp. Staff and campers (with parental consent) will be tested within 3 days of arrival, if camper/staff exhibits COVID 19 symptoms, a test will be administered.</p>
<p>Cabin Basics</p>	<p>Cabins will be limited to about 8 to 10 campers with 1 or 2 counselors.</p>
<p>Health Center Upgrades</p>	<p>There will be a separate quarantine area for campers and staff exhibiting symptoms related to Covid-19. There will also be rapid tests available for those showing symptoms.</p>
